## ORGALIME TOP EXECUTIVE FORUM 30 October 2007

### STEEL WITHOUT FRONTIERS

Orgalime's second high-level meeting for European industrialists will take place on 30th October 2007 in Brussels with the aim to provide a forum to interact and discuss key policy issues affecting our business as manufacturers in the EU.

This whole-day event includes two distinct sessions:

1. Morning session - Meeting Orgalime/ Eurofer: Discussion with European steel producers at Board member level (Limited participation!)
2. Afternoon session:
  - First part: Informal discussion with Director for Trade, Mr. AMILHAT
  - Second part: The global market from the point of view of steel producers worldwide, Chinese producers and traders

Business networking during the scheduled buffet lunch and closing cocktail.

### Who Should Attend?

CEOs and top level managers from all sectors of the metalworking and machinery industry are welcome.

*Orgalime, the European Engineering Industries Association, speaks for 35 trade federations representing some 130,000 companies in the mechanical, electrical, electronic, metalworking & metal articles industries of 23 European countries. The industry employs some 10.6 million people in the EU and in 2006 accounted for some €1,779 billion of annual output. The industry not only represents more than one quarter of the output of manufactured products but also a third of the manufactured exports of the European Union.*
